

# Letter of Submittal

September 15, 2020

Mr. Greg Klotz

Co-op Education Faculty Advisor

University of Guelph

50 Stone Road East

Guelph, Ontario N1G 2W1

Dear Mr. Klotz,

This summer is my second year of studying computer science which is the first coop work-term I have completed. So, I wrote a report called “Frontend vs Backend System” to demonstrate both aptitude and technical skills I improved from this experience, and to thank all my colleagues and my supervisor, Tyler, for their advice.

Tyler Zemlak, the employer and supervisor of this coop, is a Business Incubation Services Manager in University of Guelph – J.F. Wood Centre. He is the organizer of every meeting, monitoring my process and giving his valuable advice.

The overall evaluation of the work term is very good, and I learned how to implement the frontend system with HTML, JavaScript and CSS, and the backend system with PHP and MySQL.

This report has been prepared and written entirely by me and has not received any previous academic credit at this or any other institution.
