

Letter of Submittal

January 6, 2021

Mr. Greg Klotz
Co-op Education Faculty Advisor
University of Guelph
50 Stone Road East
Guelph, Ontario N1G 2W1

Dear Mr. Klotz,

This fall is my third year of studying computer science, which is the fourth coop work-term I have completed. So, I wrote a report called “SDLC – Testing and Deployment phase” to demonstrate both aptitude and technical skills I improved from this experience, and to thank all my colleagues and my team lead, Serena, for their advice.

Serena Chan is a lead technology specialist at MTO. She is the organizer of every meeting, monitoring my process and giving her valuable advice.

The overall evaluation of the work term is very good, and I learned how to implement SDLC and CI/CD by using version control tool - harvest SCM, doing unit testing and integration testing, and processing deployment.

This report has been prepared and written entirely by me and has not received any previous academic credit at this or any other institution.
